Experience

Product Management Intern — May 2022 – Aug. 2022
Techtronic Industries (Ryobi) — *Anderson, SC*

- Co-designed a new riding mower with a team of fellow interns, taking the concept from idea to final design
- Managed project tasks, timelines, and deliverables, keeping the intern team and stakeholders on schedule
- Coordinated meetings and follow-ups across engineering, operations, and other teams to keep projects moving
- Analyzed ~100,000 rows of Ryobi return data in Excel and built forecasts that guided product decisions
- Built product landscapes comparing Ryobi products to the market to inform product strategy
- Partnered with product management and every department to move products through the lifecycle
- Supported field tests with the product manager and team, gathering hands-on product feedback

Tennis Pro — May 2024 – Present
YM Tennis — *Yardley, PA*

- Coach 10–15 players per week, designing personalized training plans for each skill level
- Organize competitive match-play sessions and teach players of all ages and levels
- Plan and run camps, clinics, and match-play events; 100+ events organized across roles

Tennis Pro & Sports Pro — July 2020 – Present
Pretty Brook Country Club & The Bedens Brook Country Club — *Princeton & Skillman, NJ*

- Plan and lead practice sessions; evaluate team and individual performance to adjust training
- Coach tennis, paddle, pickleball, and golf through group and private lessons for all ages
- Run youth development programs emphasizing sportsmanship, teamwork, safety, and health
- Partner with community coordinators to grow participation; support accounting and events

Accountant — Nov. 2017 – Jan. 2018
Chiropractic Healthcare and Fitness — *Monroe Township, NJ*

- Managed accounting for receipts and financial reports and maintained accounting controls
- Ordered equipment for the practice and kept purchasing records accurate

Projects & Activities

Boston Market-Entry Dossier | *Navigating Entrepreneurial Ventures & Business Strategies in Boston, Hult*

- Researched industry, demographic, and economic data to advise a minority-stake investor
